

SSFN

Scottish Solution Focused Network

Conference: 29th August, 2014

Playfield Institute, Stratheden Hospital, Cupar, Fife.

Solution Focused Interactions: Celebrating Simplicity in a Complex World

The **Scottish Solution Focused Network** Conference, hosted at the Playfield Institute, NHS Fife, will showcase the work of Solution Focused Practitioners from around the country. Focusing on the theme of "*Celebrating Simplicity in a Complex World*" the Conference will allow practitioners to share their experience of working in complex situations using Solution Focused interactions.

Morning Session

Keynote Speaker: Steve Smith "*The Importance of the Future in Solution Focused Interactions.*"

Breakout Session 1:

Sharon Little: "*Use Of Vision Boards in Developing Best Hopes.*"

Wendy Woolfson: "*Story-Telling and Solution Focused Interactions.*"

Breakout Session 2:

Kate Smith: "*Successful Outcomes in Three Hours; Brief Therapy in Primary Care*"

Gerry Hastie: "*Staying Solution Focused in Long Term Work.*"

Lunch and Opportunity to Mingle.

Afternoon Session

Afternoon Plenary Session: Claudia Van Zuiden *“Solution Focused Interactions In Nepal.”*

Breakout Session 3:

Chris Ward: *“Solution Focused Interactions with Clients Presenting with Self Harming Behaviours”*

Dorothy Adam: *“SF with people who are grieving”*

Breakout Session 4:

Arthur McGee: *“Introducing a Stepped-Tier Approach to Child and Adolescent Mental Health Services.”*

Graham Buchanan: *“Solution Focused Recovery Model.”*

Open Space: Informal presentations and discussion in the afternoon session.
